## **IMPORTANT NOTICE: SPORTS DAY**

Despite changing the date of our annual Sports Day, we have been informed that the Kendrick Avenue Sports Field is still not fit for use. Guardian Angels will not let this affect our children having their Sports Day, but some adjustments have needed to be made to ensure that the event can take place safely at school. We appreciate that the time changes are at short notice and hope to see as many parents as possible on the day. Please see above for the new times.

## **Year 6 Leavers Assembly**

Thursday opened with an emotional and heart-warming performance from our Year 6 class. The class production, 'Goodbye my Friend' brought both laughter and tears to parents, staff and pupils. The many talents of the class were evident: acting, singing and performing, to name only a few. We wish all of our leavers the very best of success in their new schools in September and wish all families well for the future.

## **Year 4 Flute Assembly**

The class shared their hard work and talents with the whole school and parents in their annual concert. During the year, all of the pupils from Y4 and some pupils from Y5/Y6 had the opportunity to learn how to play a woodwind instrument. This begins with a fife (a small, wooden instrument, similar to a flute) and progresses to use a flute throughout the year. Pupils have the opportunity to learn to read music and to grasp basic skills. The concert was thoroughly enjoyed by all; the ability and progress of pupils was a delight to witness. Well done Year 4!

## **EE Challenge Day**

The whole school initiative 'Enabling Enterprises' has been running at Guardian Angels for a year and is going from strength to strength. Many opportunities have taken place for pupils such as running class projects and attending trips to local businesses like Lex Auto lease. This week, a whole school challenge took place where pupils learnt about democracy and British values. Pupils were challenged to create their own political parties, develop a manifesto and present their ideas to voters. When asked what their favourite part of the day was, many said working as a team. Well done to all who took part in the day and especially to Mr Johnson, who has worked hard to ensure that EE and future aspirations are prioritised.

## **Twycross Zoo**

Many members of the public and the staff at Twycross Zoo commented upon the outstanding behaviour of our Year 1 and Reception classes whilst on their visit this week. The weather remained warm but overcast, which provided the best conditions for the children to explore the zoo and find out about the many different animals that live at Twycross. The children loved investigating the environment and spending time together outside of the classroom. Thank you to the staff and parent helpers who supported our pupils on this visit and to the pupils for their excellent behaviour.

## **School Reports**

End of year reports will be sent home to parents next week. If you wish to discuss your child's end of year report with their class teacher, please make an appointment outside of school teaching hours, through the school office. An opportunity to meet your child's new class teacher will be available in the Autumn Term.

## **Special Mentions**

To all of Year 6 for their amazing talents. Well done!
