Year 6 Leavers 2017

Year 6's leavers production left not one dry eye in the house! Year 6 took a trip through out their time at Guardian Angels and ensured that they embarrassed a few teachers along the way. Well done for SEVEN excellent years at Guardian Angels. We wish you all the very best of luck at your secondary schools.

Year 3 Trip to the Zoo

Year 3 thoroughly enjoyed themselves on their trip to Twycross Zoo on Friday. They had the opportunity to meet a host of animals, both domestic and from much further afield. As ever, their behaviour was excellent, making their teachers feel very proud.

Reception Class Assembly

Well done to our wonderful Reception class! Each and every one pupil of the Reception class has grown and progressed so much. They are definitely ready for Year 1. A big thank you to parents and families who supported the children during their assembly and to Mrs Gazey and Miss McCorriston for their hard work.

Sun Safe School Accreditation

Congratulations Guardian Angels! We are now officially a Sun Safe School. Well done to Miss Hickey for working hard to achieve this accreditation.

Hoax and Chain Messages

A number of Hoax and chain messages have been alerted to members of staff that are taking place between pupils through WhatsApp. Please see the E-safety tip below to find out more about how to prevent and report.

E – Safety Tip of the Week

A hoax or chain message is any message (received via email, text or website etc) that, either through overt instruction or through compelling content, encourages the reader to pass it on to other people.

Chain messages can range from promises of money (such as lottery wins or pyramid schemes), hoax stories promising luck, answering questionnaires, threats to personal safety, to hoax virus alerts. Chain messages are started and sent for many reasons.
