Star Pupil Assembly

Well done to this week's star pupils and congratulations to pupils from Year 5 who gained their Irish Dancing Awards: Jessica, Ava, Aoife, Anabelle, and Tayla.

Medicine in School

If prescription medicine is to be given three times a day, wherever possible, this should be given at home. If this is not the case and prescription medicines timing fall outside this timescale, such medicine should be handed in at the front office and a form **must** be signed. It's very important that the medicine **must** have a prescription label on it.

Reminder: First Holy Communion: Saturday 19th May 2018

Due to health & safety considerations, we must stress that only one row of seating will be available for each family. Only those on Miss Carroll's attendee list will be accommodated safely. We actively encourage extended family and friends to celebrate with you at family gatherings and parties, following the service.

Fortnite Warning

Please be advised, in the UK the Video Standards council rate Fortnite as **12+** for frequent scenes of violence. This game is not suitable for young children and we advise that if you allow older children to play this game that gameplay should be monitored and that game time is limited. Along with suitability, it's worth checking the online communication settings on the game to ensure children aren't talking to strangers. See Netware online app for advice on child safety online.

Year 6 SATs

Year 6 SATs begin on **Monday 14th May**. Please try to ensure that children are in school every day this week and that they get an early night in order to allow them to achieve their very best. The timetable for dates is as follows:

Monday – Grammar, Spelling and Punctuation Test, Tuesday – Reading Test, Wednesday – Maths Arithmetic Test and Maths Reasoning Test 1, Thursday – Maths Reasoning Test 2

Super Shaye!

We need you! Shaye in Year 3 is raising money for 'Matt's Mission' this summer by supporting children with life threatening illnesses such as Cancer, Meningitis, Cystic Fibrosis and children going through and living with severe disabilities. Very bravely, Shaye will be getting her hair cut off and donating it to a charity to children who have Cancer. Please help support Shaye to raise as much money as possible for this charity. The money raised will help purchase toys for hundreds of sick children in hospitals, hospices and special need schools. In the past, the charity has taken children and their families to Disney Land and Lapland, making many wishes come true. Please help with these wishes for those less fortunate and donate what you can today!

E-Safety Tip of the Week

Talk about the risks associated with meeting online "friends" in person

Safeguarding Tip of the Week

"Don't talk to strangers," but remember what strangers are okay to approach. For example; police officers, firemen, and teachers will all lend a hand.

Generous God, we give thanks for our friends and the joy they bring us. Help us to be generous, loving and kind to all people around the world, so that they may know that we are their friends. Amen.

Yours sincerely

Mrs M Johnson

Mrs H Milligan

Mr A Spindlow
