Reading

Vision for Reading

The ability to read is fundamental to many aspects of life, and is central to general progress & developing an understanding in a wide range of areas of the curriculum. Success in reading is crucial in developing children's self-confidence and motivation to learning in general.

Our Reading Curriculum Will Enable Pupils to:

1. To be a reader
2. Have reading embedded across the curriculum
3. Make progress in Reading
4. Relish and enjoy the challenge and exploration of texts
5. Immerse in a school environment which offers a language rich culture
6. Acknowledgement of understanding of texts is evident through verbal and recorded responses
7. Celebrate and explore different themes and genres of reading
8. Use ICT provision to further embed understanding of texts
9. Reading for pleasure developed through guided, shared and modelled reading from adults
10. Parental engagement to support teaching and learning in Reading across the school

Intent

At Guardian Angels, we intend to create confident readers, who have the ability to develop deep and true understanding of what they read alongside fluency of reading. Children will be exposed to a wealth of stories, poems, rhymes and non-fiction to develop their vocabulary, language comprehension and engender a genuine love of reading and a keen interest in a range of texts - inspiring them to become life-long readers who enjoy books and have a desire to read for pleasure.

Literacy in the Early Years Foundation Stage

<p>Development Matters and Statutory ELGs are not the EYFS curriculum. This outlined a top-level view of how children develop and learn. Children's early learning is not neat and orderly, as such these are used as a pathway to help practitioners assess each child's level of development and make informed decisions about what a child needs to learn and be able to do next.</p>	<ul style="list-style-type: none"> • Understand the five key concepts about print: - print has meaning - the names of the different parts of a book - print can have different purposes - page sequencing - we read English text from left to right and from top to bottom • Develop their phonological awareness, so that they can: - spot and suggest rhymes - count or clap syllables in a word - recognise words with the same initial sound, such as money and mother • Engage in extended conversations about stories, learning new vocabulary. • Use some of their print and letter knowledge in their early writing. For example: writing a pretend shopping list that starts at the top of the page; writing 'm' for mummy. • Write some or all of their name. • Write some letters accurately 	<ul style="list-style-type: none"> • Read individual letters by saying the sounds for them. • Blend sounds into words, so that they can read short words made up of known letter-sound correspondences. • • Read some letter groups that each represent one sound and say sounds for them. • Read a few common exception words matched to the school's phonic programme. • • Read simple phrases and sentences made up of words with known letter-sound correspondences and, where necessary, a few exception words. • • Re-read these books to build up their confidence in word reading, their fluency and their understanding and enjoyment. • Form lower-case and capital letters correctly. • • Spell words by identifying the sounds and then writing the sound with letter/s. • Write short sentences with words with known letter-sound correspondences using a capital letter and full stop. • Re-read what they have written to check that it makes sense. 	<p>Comprehension</p> <ul style="list-style-type: none"> • Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary. • Anticipate (where appropriate) key events in stories. • Use and understand recently introduced vocabulary during discussions about stories, nonfiction, rhymes and poems and during role play. <p>Word Reading</p> <ul style="list-style-type: none"> • Say a sound for each letter in the alphabet and at least 10 digraphs. • Read words consistent with their phonic knowledge by sound-blending. • Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words. <p>Writing</p> <ul style="list-style-type: none"> • Write recognisable letters, most of which are correctly formed. • Spell words by identifying sounds in them and representing the sounds with a letter or letters. • Write simple phrases and sentences that can be read by others.
