

Guided by the teachings of the Church we pray, work, celebrate, and care for each other and other people using the gifts we have been given by God the Father, Son and Spirit.

Mrs Milligan and Mr Spindlow's Message

It's been a really busy week for our Year 6 children this week as they have all been sitting their SATS tests. We are extremely proud with how sensible and mature the children have been and how well they have applied themselves. We all now await the results with anticipation which should be with us in July. A HUGE thank you to the Y6 team for preparing the children so well - including extra revision classes and breakfast club.

It was so wonderful seeing how the Year 6 children use all their skills and how they persevered throughout the week—they are amazing and parents you should be so proud!

As tests come to an end for our Y6 children, they are just beginning for Year 2. We are very confident that they'll be remarkable and of course do their best.

This Week's Gospel— John 13:31-35

After Judas had left, Jesus said, “Now the Son of Man's glory is revealed; now God's glory is revealed through him. And if God's glory is revealed through him, then God will reveal the glory of the Son of Man in himself, and he will do so at once. My children, I shall not be with you very much longer. You will look for me; but I tell you now what I told the Jewish authorities, ‘You cannot go where I am going.’ And now I give you a new commandment: love one another. As I have loved you, so you must love one another. If you have love for one another, then everyone will know that you are my disciples.”

GRATEFUL AND GENEROUS

Pupils at Guardian Angels are growing to be **grateful** and **generous**. They will show they are grateful for the gifts God has given to them, for the gifts of other people and the blessings of each new day. We are thankful for what we have and for the people around us. We are generous with our gifts and use them in the service of others. We are generous with our time and give of ourselves to serve others as God wants us to. We are generous with our actions, doing things to help other people and make a difference in the world.

Our School Rules

May Procession

Unfortunately our May Procession Mass cannot go ahead as previously planned due to Father Michael becoming unavailable. However, we would still like to honour Our Lady and pay our respects as a whole school. Therefore, we ask for children to still bring in their plant and this will form a whole school procession and prayer service on Wednesday 18th May. Our apologies that we are unable to celebrate this Mass with parents but look forward to seeing you at our next Mass very soon.

Science Week

The week commencing Monday 23rd May 2022 will be 'Science Week' at Guardian Angels.

I am writing to tell you about the exciting week that we have planned for the children:

Staff in school have planned activities for their classes

The 'Animal Man' will visit each class in school. This will allow our pupils to learn more about animals and their lifestyles and habitats. They will have the opportunity to touch the animals. If your child has any allergies that the school is unaware of, please inform the school office

'Mad Science' Whole school assembly will be taking place

Class science workshops bring science to life in the classroom

In order to fund these activities for science week, we are asking for a contribution of £2 per family. Please pay this amount via ParentPay .

Many thanks in advance for your continued support and co-operation.

Modeshift STARS Accreditation

We are delighted to be recredited with Modeshift STARS Bronze Accreditation in recognition of our efforts to reduce traffic around our school improving air quality, safety and helping to promote a healthy lifestyle for our children.

This follows on from our recent success with Bikeability and our ongoing progress with the living streets travel tracker.

We are in the process of applying for Silver and Gold accreditation for Modeshift STARS and we need the help of parents in order to achieve this.

- Please consider where you are parking, ensuring you are not parking on yellow lines and pavements.
- When stationary please turn off your engines to reduce emissions.
- Wherever possible walk to school or park and stride.

Thank you all for your support.

Walk to School Week

Our five-day walking challenge starts next week. Throughout this week children are encouraged to walk to school and record their journey, method n class. Children can gain prizes and rewards for walking to school each day. Through this challenge, children will be well on their way to reaching their recommended **60 minutes minimum of physical activity per day** before even reaching the school gates!

Jubilee

As the Queen's Platinum Jubilee quickly approaches, we have lots of exciting activities planned at Guardian Angels.

Children and staff are invited to wear red, white and blue, on Friday 27th May, to honour the celebration.

Children are invited to bring their royal themed "blinged up" bike to school and take part in our royal bike parade.

All who enter will be in with the chance of winning a prize!

Our school will come together to mark the celebrations with a playground royal themed street party that will include games and a special Jubilee Lunch (please see special lunch menu for that day and order via ParentPay).

Cheerleader Training

A group of our Year 4 and 5 children have received cheerleading training this week to deliver cheerleading and wake up shake up routines to other children in school at break time.

The coach delivering the training commented on how engaged and focused the children were and we all look forward to seeing their training in action.

Part-time vacancy for Administration Assistant

The Missionary Society of St. Columban in Britain is seeking a part-time Administration Assistant to join its team, based at St. Columban's in Solihull. This is an exciting opportunity for an enthusiastic and self-motivated professional to contribute to the mission work of the Columbans in Britain. For more details about the position and to apply, please contact or email the HR Advisor at 07562 657 382 or hr@columbans.co.uk or visit <https://columbans.co.uk/how-you-can-help/join/job-opportunities/administration-assistant/>

Right of the Week

Article 24 (health and health services) - Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy. Richer countries must help poorer countries achieve this.

Have you watched Our Planet before? Narrated by Sir David Attenborough, it examines how climate change impacts all living creatures. Choose an animal that features in the programme and report on how its life and habitat has been impacted by climate change.

Safeguarding Tip of the Week

Mental Health Awareness Week
9 - 15 May 2012

Together we can tackle loneliness

#IveBeenThere

One in four adults feel lonely some or all of the time. There's no single cause and there's no one solution. After all, we're all different! But the longer we feel lonely, the more we are at risk of mental health problems. Some people are also at higher risk of feeling lonely than others.

E- Safety Tip

Pop Ups / Adverts

When your child is playing on certain games or is on social media, they may see adverts / pop up adverts. The content in these adverts may not always be appropriate to them, particularly if clicked on. It is important to talk to your child about adverts and to think about what they are clicking on before they do and if they are unsure to either ignore them or to check with a trusted adult. Further information <https://www.childnet.com/help-and-advice/security/pop-ups-adverts/>

Skills Builder

This term, each class have chosen their own focus skills. Ask your child what skills they are focusing on this term!

This week's Twitter Highlights

It has been another remarkable week! Here are some photographs from our Twitter page to show some of our wonderful learning experiences @GrdangelsCP

"Because you have seen me, you have believed. Blessed are those who have not seen, and have believed." Year 2 have been learning about different stories where Jesus appeared to his disciples and how Jesus promised to send the Holy Spirit

Year 1 went on a walk around the local area this week! They spotted both human and physical features around the area of our school and created our own maps back in the classroom

As part of our new topic, Ground-breaking Greeks, year 5 have been producing some excellent projects. The children have been researching at home to find out amazing facts about this very interesting civilization! [#ancientgreece](#)

EYFS have enjoyed the sunshine today in their outdoor area. Working together to explore the setting and resources.
#teamwork

Year 6 have completed their SATs! We are all so proud of the perseverance and resilience each and every child in Year 6 has shown this week! Well done!

Well done Year 6!
